

MARSHALLING YARD

The marshalling yard is located at the corner of Rue de L'Inspecteur and Rue William.

Please refer to the attached map. Copies of this map available online at www.montrealgiftshow.com.

All cube vans, 5 ton trailers (24 foot truck) and tractor trailers must report to the marshalling yard, prior to proceeding to the loading docks.

A parking attendant will be stationed in the yard and will instruct and provide all drivers with a move-in / move-out pass to proceed to the loading docks when a dock becomes available.

If these vehicles come directly to the loading dock, they will be turned away and instructed to proceed to the marshalling yard to obtain the required pass. No exceptions!

Please ensure your transport company and/or your driver is aware of the MARSHALLING YARD at the corner of Rue de l'Inspecteur and Rue William.

This procedure is in effect for the entire duration of move-in, from Wednesday February 29th to Saturday March 3rd and during move-out from Wednesday March 7th to Thursday March 8th.

If you have any questions, please call us at (800) 611-6100 x 1053.
