# WRITE ON!

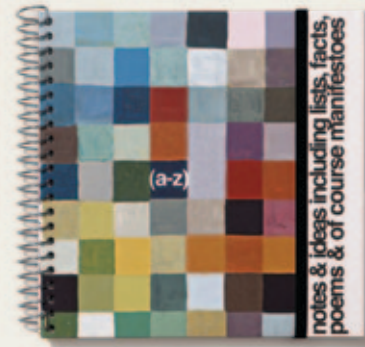

Whether for work or play, a notebook to jot down musings, ideas and to-do lists is a must-have companion. Here are our favourites!

### The Mini

Beautiful designs and a compact size make these recycled notebooks from Catalini apropos for teeny purses

\$4.95 retail each, Paper E. Clips, 800-660-7068, [www.papereclips.com](http://www.papereclips.com)

### The Statement

Colourful notebooks from Kocu New York make a statement with funky covers and an unusual square shape

\$13.95 retail, Paper E. Clips, 800-660-7068, [www.papereclips.com](http://www.papereclips.com)

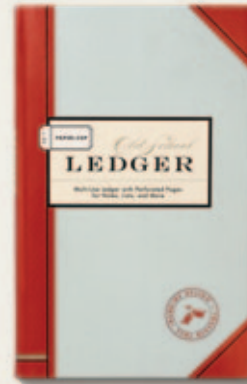

**Fun Fact!**  
Paper was invented by the Chinese in 105 AD

### The Classic

Subdued and simple, this set of notebooks is also covetable because they're made from recycled paper
