

Moody Hues

Smokey black, blue and grey are headlining the colour stage this season

Stylish interiors are decked out in edgy black, blue and grey shades this season as dark and moody colours pull to the forefront of decorating trends. Sexy, saturated hues of indigo, denim and slate blue pair up brilliantly with matte black and shiny or matte silver and grey. If blue isn't your bag, switch in a deep shade of plum instead for a rich, royal look. ■

All prices are suggested retail. For company details, turn to Supplier Listings starting on page 46.
